This place is my hideout.

Nobody can go there. It's a small forest where no one can bother me.

I feel safe there.

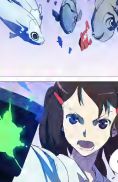
Because...

But when I realised that I was alone,
it was even more painful.

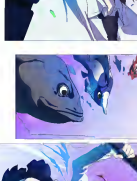
I hate the forest, which is always empty.
Germany, where I can't communicate at all,
and home, where nobody talks.

Are these the characters inside Ji Moon's world...?

If he has a hard time, they can kick off from the real world to let me/I even talk to real people



You were protecting him.



Then you should die, Ji Moon doesn't need you now

Explosion
Explosion

Fall

Slam

Fall

YOU ARE 7 YEARS OLD! YOU'RE GOING TO SCHOOL NOW!

STOP JOKING AND TELL ME WHAT HAPPENED!
WHY DO THIS HAPPEN TO HIM? TELL ME WHAT HAPPENED!
UWAH!

I was the only one who would comfort him.
It's okay. It's okay.
It's not your fault.
Forget about the fake Seo Yeon. I'll protect you.

...That's what I said.
Instead of stupid Ji Hoon Lee,
who is stupid and can't say anything right,
I'm fully taking over for him.
...Do you hate It?
?
Ji Hoon, do you hate yourself?
because you think you are stupid and can't talk properly?
Do you hate yourself?
I understand now. Why I felt annoyed everyday.
I think I was annoyed with myself.
I think I was angry because I was ugly and behind in everything.
I wanted to do so much when I was young.
But I was angry at myself for doing nothing.

But do you know what the funny thing is?

When time passes, I will become an adult anyway.

Even if I try hard, I'll have everything that adults take for granted in my hands.
